

Established over 40 years ago, Illingworths has extensive experience of Insurance & Financial Services, we pride ourselves in offering a friendly, no nonsense approach, demystifying what can be a complicated topic.

Our team of professionals are experienced and knowledgeable, holding a range of industry recognised qualifications. We always strive to keep up to date in an evolving market place through a continuous cycle of learning and development which the company is committed to and actively encourages.

Illingworths Insurance Brokers has developed strong partnerships with leading providers throughout the UK, ensuring its customers have access to the most attractive and flexible policies giving choice and value for money.

The Financial Services Team is wholly independent, providing complete unbiased advice ensuring your needs and requirements are at the forefront of the advice process.
